GENOMICS
OF RARE
DISEASE
REGISTRY

DO YOU HAVE A RARE DISEASE?

ARE YOU INTERESTED IN RESEARCH?

The **Genomics of Rare Disease Registry** is a national study aiming to better understand rare inherited diseases and connect individuals and families with new research opportunities.

AM I ELIGIBLE?

If you:

- ✓ Live in Australia
- ✓ Have a diagnosis of a rare disease or be a family member of someone with a rare disease

*You **may** be eligible to participate.*

WHAT'S INVOLVED?

If you choose to participate you will be asked to:

- Complete surveys about your medical history
- Allow access to your medical records
- Consent to be contacted about future research
- You may be asked to provide a blood or saliva sample
